

# EXCITING SCAPES

## Eating, Drinking and Escaping!

Make a complete event of it by adding food and drink to your teams adventures. We've got caterers who can help us provide a variety of options for you. You can have food when you arrive or at the end of the mission. With our team building events we tend to suggest the food comes between the sets of games as you get a chance to chat and eat while we reset the games ready for next adventures!

### Hot or cold

We can provide either a hot or cold buffet to meet your specific needs. Different options are available at each of our three sites.

### Pricing

Pricing starts from just £12 per person + VAT. This includes sandwiches, savouries, cakes and fruit. A hot buffet can also be arranged. All prices include tea, coffee and squash.

### Special dietary requirements

With notice, we can meet most special dietary needs. Please do just ask us for details.

### Drinks

We're not licensed to sell alcohol, but you're more than welcome to bring your own drinks. Our only suggestion is not to have too many before your game - it can then be difficult to get out 😊
