## Team Building Afternoon - Success!

We had organised a team building afternoon for 22 people for work and the team at Exciting Escapes Basingstoke were fantastic at helping to organise this. Our team all thoroughly enjoyed themselves. The staff were professional, helpful and very knowledgeable. Highly recommend!

## Exciting, unique & valuable team building experiences

Our Escape Rooms are hour-long adventures with your team, working together you have to find clues, solve puzzles, and complete challenges to finish your mission in 60 minutes! We have experiences based in Southampton, Basingstoke and Portsmouth where you and your team take on various missions for British Intelligence. We've been successfully running fantastic team events since 2016, with over 70,000 players to date. The owners, Peter and David Gale, have over 35 years' experience in the corporate world of building and leading successful teams and we will make sure that your objectives from the session are met.

## What happens when we arrive?

You don't need to know exactly how escape rooms works before you arrive. One of our team will meet you from the door, take you through the game, and be on hand to help you if you need it.

## What will we do?

You might uncover evidence of a murder during the Cold War of the 1950's. Maybe thwart an assassination in a 1960s cinema. Perhaps even break into a London Police station to thwart a corrupt Police Officer in 1970's London.

## What is your capacity?

In Southampton it's up to 50 customers on site, with 33 on a mission at any one time. In Basingstoke it is up to 60 on the sites at once, with 43 playing a mission at any one time. In Portsmouth its up to 40 customers on site, with 29 on a mission at any one time.

## Is it right for us?

We have 17 experiences across our four sites, food and drink options to suit your budget, and three different formats for the event based on your needs. We will create the perfect event for you and your team!

## Best Team Building Yet!

Visited a few days ago as a group of work colleagues with a variety of experience in escape rooms, although most of us had never done one. It was incredible! We played as two teams racing each other which was great and really brought together a balance of team work and competition! (Both teams managed to get out, phew!) The staff were excellent throughout as well. Everyone loved it and at lunch afterwards it was all anyone could talk about! The magnets that we got at the end were a nice touch too

**\*Team Build 1** – This session is tailored to your specific needs and involves the following;

**Interaction** – The Games Master running the game will explain to the watching team what the team in the room need to do. The watching team can then influence how much help they get in the room (we tend to find teams of salespeople want to offer the least amount of help to their colleagues in the room – they want the fastest time!)

**Food and drinks** – We will provide complimentary tea, coffee, soft drinks, crisps, & biscuits. If you wish to have additional food this can be arranged for a further charge.

**Real time feed** – We have cameras and microphones in every room, so you get to see your colleagues in action! Think Big Brother meets the Crystal Maze! Who is leading? Who is actually doing the work? Who is the best communicator? Who has the most creative ideas?

**Feedback** – Our Games Master will give the team feedback at the end of the adventure, but we often find that the watching team also like to give feedback and point out the good and (especially!) the not so good stuff!

**Closed to the public** – We tend to close the site and dedicate the space to you and your team.

*“Sooo much fun....we wanted to do something a bit different. Exciting Escapes didn't let us down, it was brilliant. I don't think the team have ever laughed as much in all the time we have worked together”*
